

## FACTSHEET: AWARDS

Emporia products have recently been awarded a number of prestigious awards endorsing their high quality design, ergonomics and user experience. The **emporiaLIFEplus** received the Innovation Award of Austria and the Special Award of the Chancellor for its usability.

The **emporiaELEGANCE** won many important design awards in 2011, including the PlusX Award for Design and Ease of Use, the Universal Design Award Consumer Favorite and the important **iF Design Gold Award**.

emporia's most recent models have also received awards in 2012; the **emporiaSOLIDplus** won the PlusX Award for High Quality functionality and ergonomics and the iF Design Award while the company's newest handset, **emporiaCLICK**, scooped the Universal Design Award.

The newest product emporiaCONNECT just received the Universal Design Consumer Favorite.
