*Fivefold safety thanks to the emporia emergency button:

1

When the emergency button is pressed, up to **five predefined contacts** will be called until someone answers.

2

The phone will automatically go into **loudspeaker mode**.

3

A prepared **emergency SMS** will be sent to an emergency number.

4

GPS-enabled phones will provide their **coordinates with the emergency call**.

5

A loud **alarm tone** will simultaneously sound to draw the attention of anyone in the vicinity to the emergency situation.
