

SMART.3 THE NEW GENERATION OF SIMPLICITY.

The advertisement features a large black smartphone, the Emporia SMART.3, shown from both the back and front. The back view highlights a vertical camera module with a lens, a flash, and a heart-shaped sensor. The front view displays a clean, minimalist home screen with a nature wallpaper, a digital clock showing 12:30 on Sunday, April 21, 2019, and four large, simple icons for Phone, Messages, Photos, and Settings. A small inset photo shows an elderly couple smiling while looking at the phone together. Below the photo is a small graphic of three smartphones and the text 'Das emporia Trainingsbuch Ihr Einstieg in die Smartphone-Welt'. The website 'www.emporia.eu' is printed vertically on the left side of the phone's back cover.
