	Two battery covers (one with an emergency button and one without it)
	Easy usage characteristics
	Large screen with text that is easy to read
	Speech-to-text
	Google Assistant

## \*Fivefold safety thanks to the emporia emergency button:

When the emergency button is pressed, up to five predefined contacts will be called until someone answers.

The phone will automatically go into loudspeaker mode.

A prepared emergency SMS will be sent to an emergency number.

GPS-enabled phones will provide their coordinates with the emergency call.

A loud alarm tone will simultaneously sound to draw the attention of anyone in the vicinity to the emergency situation.
